## Confidential Information Memorandum

September 2026

Prepared by Whitmore Brooks LLP. Whitmore Brooks has been exclusively retained by the shareholders of Meridian Veterinary Partners Ltd to advise on the sale of a majority stake in the Company. Non-binding offers are due on November 28, 2026.

# 1. Executive Summary

Meridian Veterinary Partners Ltd (the "Company") is a leading provider of companion animal veterinary care in the United Kingdom and Ireland, operating 48 clinics across England, Scotland and Ireland. Founded in 2011 and headquartered in Bristol, United Kingdom, the Company employs approximately 1,150 people, including over 380 veterinary surgeons.

The Company is backed by Larkspur Capital, which acquired a minority position in 2019. In FY2025 the Company generated revenue of £84.6 million and Adjusted EBITDA of £16.9 million, representing an EBITDA margin of 20.0%. Revenue has grown at a 17% CAGR since 2021, with like-for-like clinic growth of 8%.

Approximately 41% of revenue is recurring through the Meridian Pet Health Plan, which has over 96,000 subscribers. No single clinic accounts for more than 5% of revenue. Gross margin of 58% is ahead of the UK peer average.

Dr. Helen Marsh, Chief Executive Officer, co-founded the business and will reinvest alongside the incoming partner. Further information is available at www.meridianvets.co.uk.

# Key Investment Highlights

- Scaled consolidator in a fragmented, non-discretionary market
- Highly visible recurring revenue from the Pet Health Plan
- Proven acquisition engine with 22 clinics integrated since 2020
- Clinician-led culture with industry-leading vet retention
- Significant runway for greenfield openings and further M&A in Ireland

## 2. Financial Overview

(£ in millions)

| | 2022A | 2023A | 2024A | 2025A | 2026B |
|---|---|---|---|---|---|
| Revenue | 52.8 | 63.1 | 72.9 | 84.6 | 97.5 |
| Gross Profit | 29.6 | 35.9 | 42.0 | 49.1 | 57.0 |
| Adj. EBITDA | 9.0 | 11.6 | 14.0 | 16.9 | 20.5 |
| EBITDA Margin | 17.0% | 18.4% | 19.2% | 20.0% | 21.0% |

## Key Risks

- Regulatory scrutiny following the CMA market investigation into veterinary services
- Availability and wage inflation of qualified veterinary surgeons
- Integration risk on acquired clinics
